CORRECTIONAL PRIVACY Correctional Interview Rooms (CIRs) offer privacy & noise control performance in corrections settings. CIRs are ideal for detention centers, courthouses, jails and other correctional facilities. The rooms are designed to provide a controlled & private communication environment to conduct legal matters such as private interviews or witness statements. Unique in the corrections market as an economical solution to ensuring 6th Amendments Rights in Correctional Environments. CIRs are renown for acoustic integrity, durability and utility. Cam-Lock CIR rooms are fully demountable allowing ease of disassembly, transportation, moving & storage.
